SELECTMEN'S REPORT

A review of our Town Reports for 1957 and 1958 reveals an increase in total valuation of \$95,000.00

Based upon our present valuation figure of \$1,755,125. and the combined Town and School Budgets our Tax Rate will reach \$55.00 per thousand this year. This is an increase of \$15.00 per thousand over last year.

The \$40.00 per thousand rate enjoyed last year was made possible by :

1. Applying \$6,000.00 of accumulated surplus to reduce the amount required to be raised by taxes.
2. A substantial increase due to new construction of approximately \$95,000.00 in valuation.
3. An unanticipated increase in several items of our Estimated Sources of Revenue for 1958.

In the present year we do not anticipate a surplus that will reduce our Tax Rate significantly. We estimate a total gain in valuation due to new construction of only \$30,000.00 and our other Sources of Revenue do not indicate a gain over last year.

Therefore it should be noted that any additional spending will result in a further increase at the rate of \$1.00 per thousand for each \$1,700.00 appropriated.

We hope this general information will help you to understand the financial situation of our Town and the reasons for the expected sharp increase in our Tax Rate.

REPORT OF THE LIBRARY TRUSTEES

To call the attention of the Town to the painting job on the Library would seem to be a little superfluous but the Trustees feel that it is well done and that the building is in good repair.

Photostatic copies of the so-called "Weare papers" have been made so that people may read these historically interesting documents. The originals will be on display but because of their age they are very fragile and would soon be mutilated by handling.

Any suggestions as to how your Library may better serve you will be most welcome.

Respectfully submitted,

E. EMMONS SANBORN,
Secretary

REPORT OF THE LADIES' AUXILIARY HAMPTON FALLS VOLUNTEER FIRE DEPT.

The Ladies' Auxiliary of the Hampton Falls Fire Department have met regularly the first Monday evening of each month and are pleased to report another successful year.

We wish to thank the citizens of the town for their generosity in contributing to our projects, suppers, food sales and whist party.

A Fire Warden's supper was put on by the Auxiliary, and we continue to have available a hospital bed and mattress, for the use of anyone who may need it in town. The silverware for the fire station has been increased.

There is now a generous amount in the treasury which will be available for the new addition to the fire house.

NEW HAMPSHIRE SEACOAST REGIONAL DEVELOPMENT ASSOCIATION

This is our request for an appropriation of reasonable amount for the publicity and promotional development work of the Seacoast Regional Association as authorized by State Statute.

We are sure the people of our community appreciate the importance of cooperative efforts for improving the economy of the region. We are sure they appreciate the services of the Association in effective publicity and developments which benefit everyone directly or indirectly.

We know you recognize the necessity of having adequate funds for costs involved in any worthwhile endeavor. Your Regional Association is very much handicapped in this respect.

Respected citizens as officers, directors, and committee members are giving their time and efforts at their own expense for the benefit of the communities of the region.

The appropriation imposes no real burden on anyone. It is a good investment.

We solicit your support of the request for an appropriation in the sum of \$160.00.

Sincerely yours,

GEORGE W. POND

SCHOOL REPORT

SCHOOL WARRANT FOR 1959

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Hampton Falls, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Town Hall in said Hampton Falls, on the Sixth Day of March, 1959, at Four p. m. in the afternoon, and to cast ballots for candidates for the following District Officers:

1. Moderator for the ensuing year.
2. Clerk for the ensuing year.
3. Member of the School Board for the ensuing three years.
4. Treasurer for the ensuing year.

You are also notified to meet at the same place at Eight O'clock in the evening of the same day to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other Officers of the District.
2. To hear the reports of agents, auditors and committees, or officers chosen and pass any vote in relation thereto.
3. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
4. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be

received from the state equalization fund together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by the Town.

5. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

6. To see if the District will vote to authorize the construction of an addition to the present Lincoln Akerman School building consisting of two classrooms, storage space, and incidental facilities at a cost not to exceed Forty-Eight Thousand Dollars (\$48,000.00), including the construction of the addition, furnishings and equipment, architectural and other fees, grading, and any other items incidental to and necessary for such construction; and to authorize the school committee to act as a building committee or to authorize the moderator to appoint a building committee consisting of the school committee and four other legal voters in the district, to determine the final construction plans, to engage the services of an architect, to solicit bids from competent firms, to accept the most advantageous bid or bids, to supervise the construction and to see that the contracts are carried out, to purchase the necessary equipment and furnishings, to accept the project for the School District, and to take any other necessary or desirable action in connection with such bids, contracts, construction, and all other matters in connection therewith.

7. To see if the School District will appropriate a sum not exceeding Forty-Eight Thousand Dollars (\$48,

000.00) for the purpose of constructing an addition to the present Lincoln Akerman School, and all other items as described in Article 6 of this warrant, and determine how such appropriation or any part thereof shall be raised, whether by taxation, by borrowing or otherwise, and, if by borrowing, to authorize the issue and sale of bonds or notes of the School District therefor under and pursuant to the Municipal Finance Act as amended, and other applicable laws.

8. To see if the District will vote to raise and appropriate the sum of Ten Thousand Seven Hundred Dollars (\$10,700.00) for the employment of one additional teacher, the increased cost of utilities, custodial services and supplies, payment of principal and interest on debt, and other incidental expenses for the coming year required by the acceptance of Article 6.

9. To see if the District will vote to authorize and accept the employment of an Assistant to the Superintendent of Supervisory Union No. 21; this article to take effect for the Supervisory Union Year beginning July 1, 1960; provided that each of the Districts in the Supervisory Union vote to accept this article.

10. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 18th day of February, 1959.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens
of the School District of Hampton Falls:

It is a pleasure to submit my first annual report as Superintendent of your school. I have enjoyed working with the professional and lay people interested in the Lincoln Akerman School and I look forward to being of continued service to you. The excellent work accomplished by my predecessors, Mr. Roy W. Gillmore and Dr. Edward C. Manning, have laid a firm foundation and created an inspiring challenge to me. I hope I can continue the tradition of educational leadership established by them.

Because Hampton Falls is part of the fastest growing and largest Supervisory Union in the State of New Hampshire I think I should call to your attention some of the needs of this administrative unit. These are needs that must be met by all of the school districts in the Union with Hampton Falls sharing in the expenses and benefits.

A sub-committee of the Supervisory Union School Board submitted a report, at the annual budget meeting in December, that contained several recommendations. Among them were the need for additional clerical help and an additional assistant for the Superintendent.

The former has been included in budgetary figures, but the latter because it is considered an additional service, needs to be voted by each school district. For this reason, an article has been included in the School Warrant of each district and I am hopeful that it will be acted upon in a favorable manner. Employment of this person would not begin until July 1960 and the salary would be pro-rated among the eight districts in the Union.

Another pressing need is that of a permanent office building to house the staff and facilities of the Superintendent's Office. Our present temporary quarters have neither adequate working area nor adequate storage area. Valuable records cannot be properly safe-guarded and cramped facilities result in unfavorable working conditions. A group of School Board Members are currently studying this problem and it is hoped that a solution will soon be reached.

Our Supervisory Union Classes, now numbering two instead of one, continue their fine work. Once a "pilot program", they are now a fixture of our educational program and will provide the services needed for this particular group of students. Both classes will be housed in Hampton next year, thus facilitating the transportation problem.

There is a possibility that there will be increased State Aid forthcoming. Among the measures pending before the General Court is one that would provide a \$10.00 per pupil grant to all school districts. These measures are worthy of your consideration.

The Lincoln Akerman School, as are all our schools, is becoming crowded. It is time for the citizens to consider an addition to these fine facilities and I recommended that the School Board request funds for the construction of two more rooms. I am hopeful that this measure will pass and that the rooms can be ready for occupancy next September.

The enrollment figures reveal that the multiple-grade room, this year Grades 1 and 2 are combined, will always have a relatively large number of students. This is not a good situation from a standpoint of instruction and is one that should be alleviated.

Additionally, the use of the multipurpose room is denied for the purpose intended and this, too, is not of optimum benefit to the students.

While the cost of construction of two more rooms may seem prohibitive, the overall increase to the tax payer, in any one year, will be slight. Experience has shown that school districts have never saved money by waiting and there is no reason to believe that this has changed. I would, therefore, urge you to support your School Board's proposal and vote the necessary funds for this construction.

The salary schedule has undergone a needed revision with the starting wage being raised to \$3,500. This is in keeping with many other districts in this area and places Hampton Falls in a competitive position when recruiting new teachers. This increase in the minimum is granted to teachers currently on the staff along with the regular increment, the usual practice in this situation. Good teachers are still scarce and we must keep pace if we are to receive the benefits of qualified persons.

Hampton Falls, along with five other districts in this Union, embraced the advantages of Educational Television during this year. I am pleased that they did. This electronic adjunct to the classroom teacher is a worthwhile venture into newer methods of instruction and brings with it a tremendous potential as an educational service. The New Hampshire educational outlet, Channel 11, Durham, will soon be operating, adding still more programs for the students.

I would like to take this opportunity to thank all of the people who have helped me during my brief period as Superintendent. The School Board, the Principal, Mr. Kontinos, and the teachers have been most cooperative in their effort. Miss Leota Whitcomb, Helping Teacher, has worked closely with the staff of the

school to bring about improvements in the instructional program and, for this, I am grateful.

My thanks, also, to Miss Edith Hammond, Executive Assistant, and the other members of the office staff, whose untiring efforts and loyal support have made my work much easier.

I look forward to continued service in behalf of your school and your children.

Respectfully submitted,

C. M. GREEN
